Wealth Council

Economic Pressure

- Life is **expensive**
- Young individuals want to invest
  - **82%** of young investors following social media advice
- **59%** of all Canadians worried they will outlive their current savings

Meet John, A College Student

1

Safe For Now

Relies on parents' support for now but knows that won't last

2

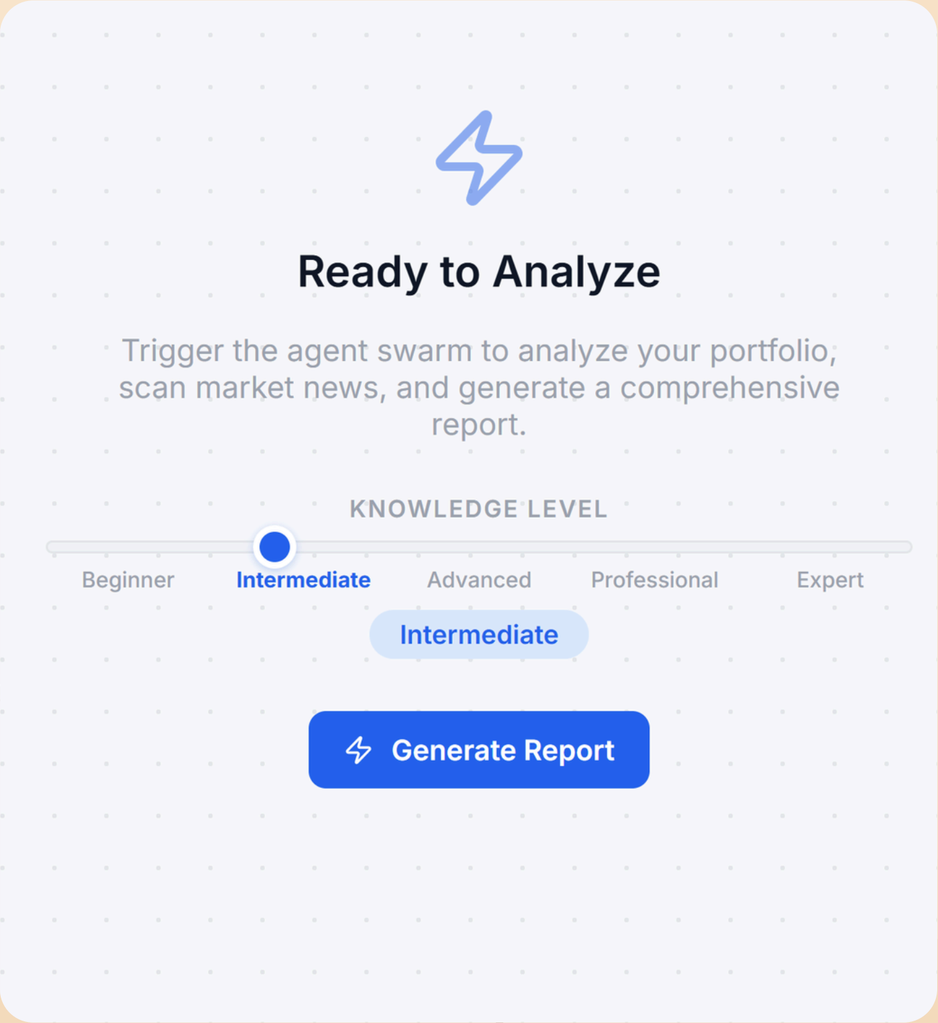
Future Stability

Concerned about future financial prospects

3

Investment FOMO

Wants to start investing and build wealth, has no idea where to begin

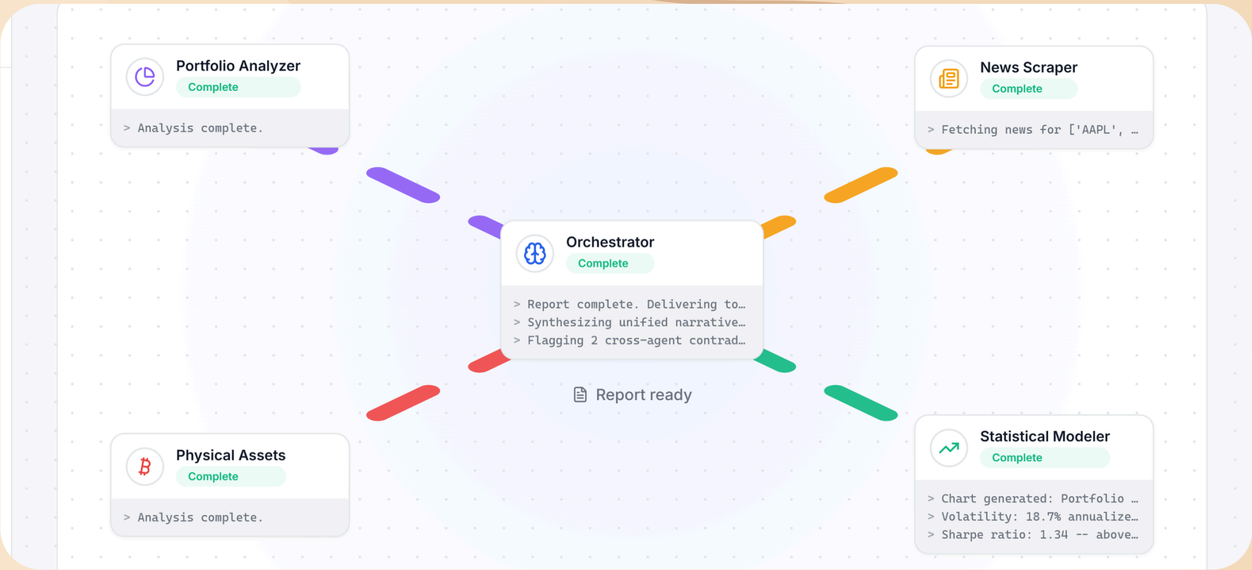


Our Solution

Wealth Council

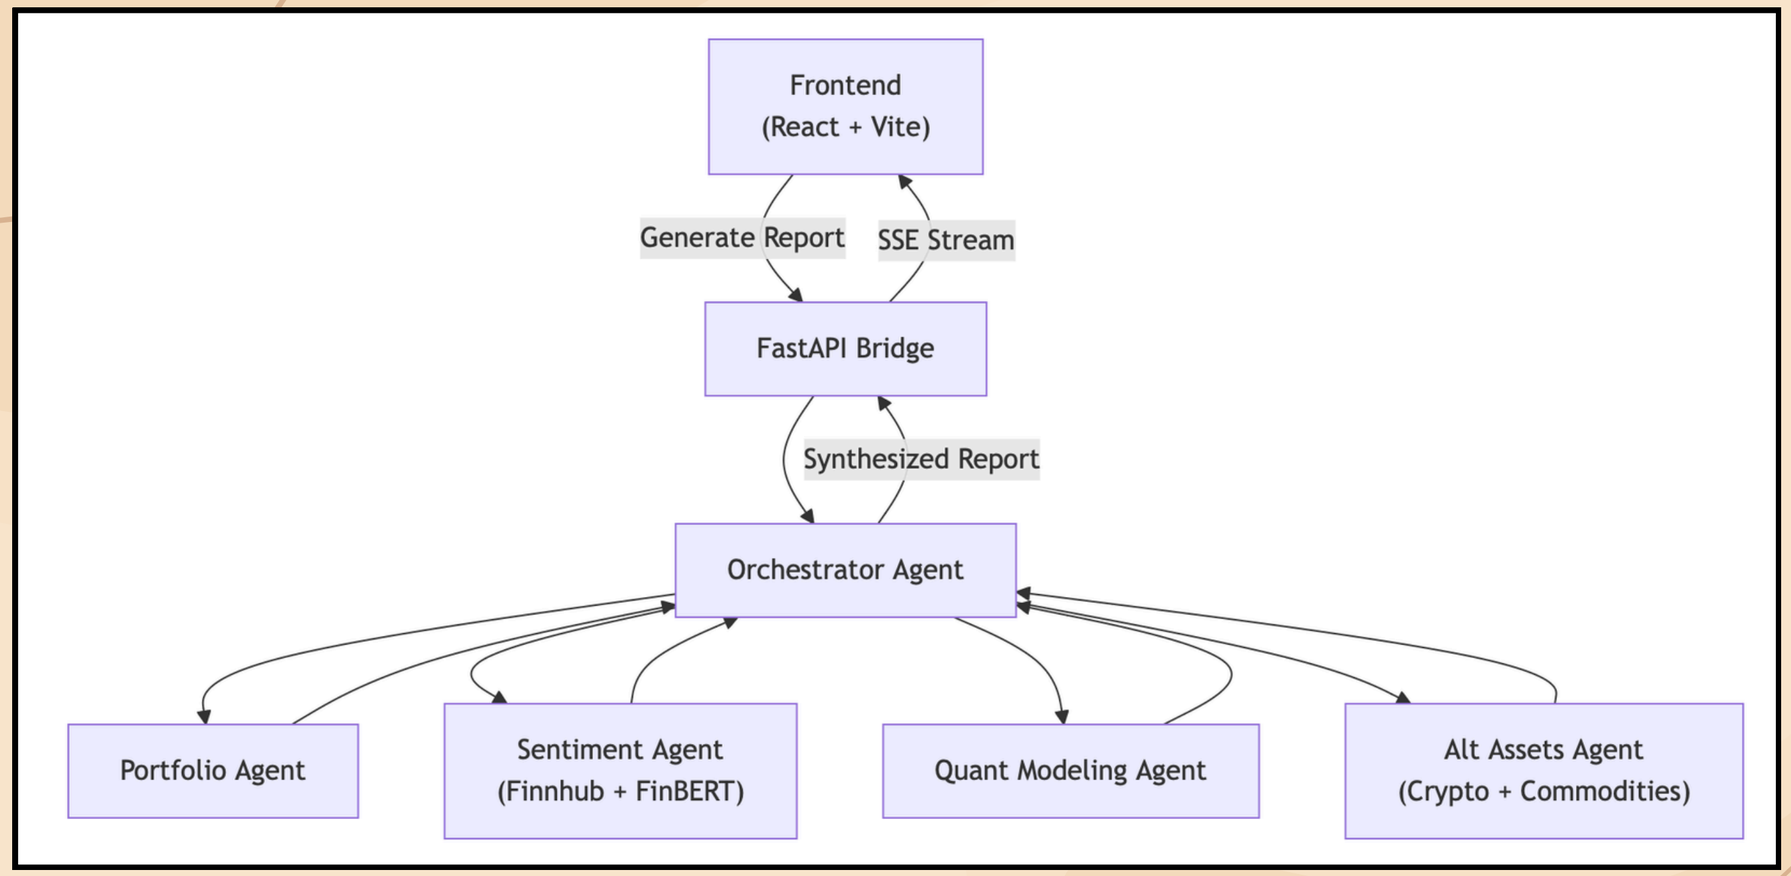
- Multi-agent investment intelligence platform
- Synthesizes portfolio analysis, quantitative modeling, and market data
- Easily digestible explanations of findings

- Portfolio Analyzer Agent
- News Scraper Agent
- Physical Assets Agent
- Statistical Modeler Agent
- Orchestrator Agent

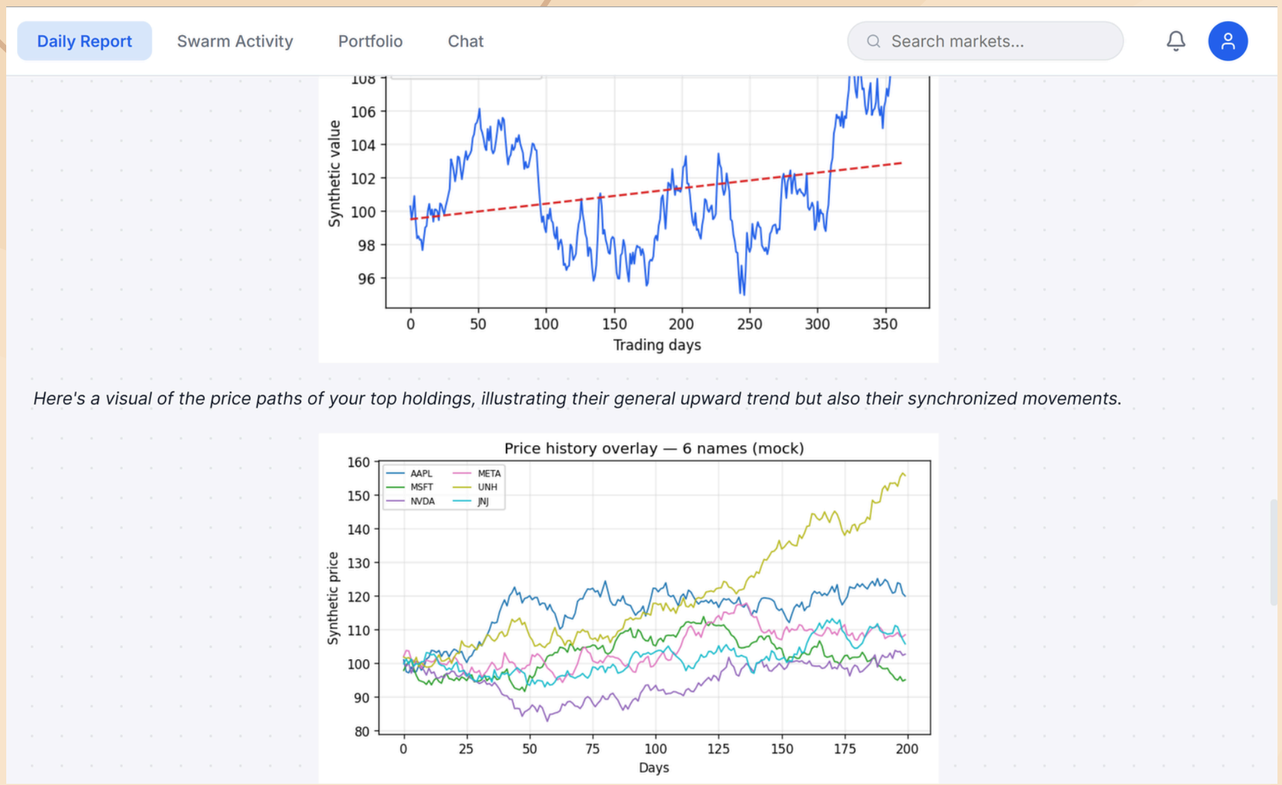


Meet The Agents

Architecture



Product Demo



- Agent swarm interaction and collaboration
- Daily reports from analyzing market news and your portfolio
- Portfolio importable into site by CSV
- Ask detailed questions to the swarm for customized advice
